This is an easy walk that takes around 30 minutes to a traditional inn serving good food and real ales. They also have quiz and music nights so it might be worth checking the website before you visit.

Start the walk along the lane past Humber to Blackstone Edge Old Road. Carry on down the road. Take the second footpath that heads off down to the left through the gate and grounds of Lydgate Manor. This path takes you through Lydgate Clough.

As you climb the stile at the end onto the A58, beware of traffic as there is no pavement on that side of the road. Cross the road and head up the hill to the right and the Moorcock Inn is past the houses.
